Autumn (Ngahuru) 2024

Unbelievably we are already 4 months into 2024! The clocks have been turned back for Daylight Savings and the days are getting shorter, but we are still hopeful for some beautiful days ahead.

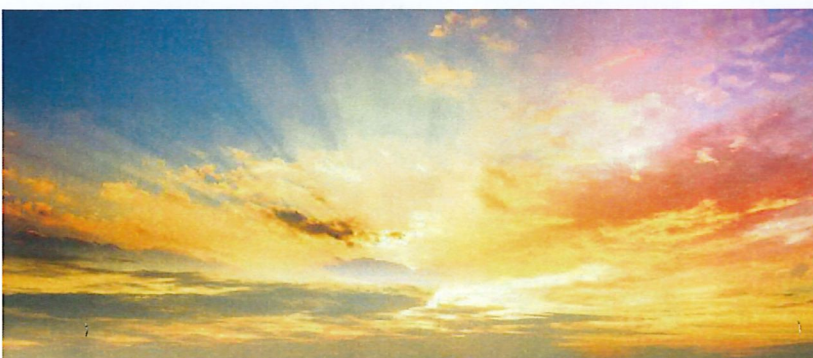

We have had a couple of office/personnel changes in the past few months. The Resource Room is now home to the newly designated Rest Home Co-ordinator, Kayla and Hospital Co-ordinator, Caitlin. This means easier accessibility for residents and families and also staff alike with any queries/issues concerning these areas.

Megan from Finance is now over at the Hub office and Janet is now in Megan's old office. Karen our Recreation Co-ordinator has joined with Simone and are both situated in Janet's old office behind Reception. The vacated offices are to be used for much needed storage and a "hot" office. Don't hesitate to visit the Activity Co-ordinators for any of your recreation needs or for just a chat.

Congratulations to Ashlee Knapp on attaining Level 3 in the NZ Certificate in Health & Wellbeing Health Assistance. Well done Ashlee.

Easter in our Chapel was celebrated with many activities relating to Easter with Good Friday and Easter Sunday services; well attended and enjoyed. Of course Easter has to involve eggs, the sign of new life, and residents were given a large hollow egg to enjoy. Here's to new life, new starts and a remembrance that the steadfast love of the Lord never ceases, it is new for us, every morning.

Tainui's Bake Off

Every Monday at 3.15pm for the next 7 weeks we are holding the staff "Tainui Bake Off".

Bakers will present their creations to a panel of judges who will score on presentation, smell, texture, taste and creativity. The winner of the first round was Simone's Feijoa cake and the second round winner was Rose with a beautiful mocha cake. Good luck to all the competitors.
